26th Branko Bošnjak Memorial

Saturday, September 28, 2024

Bogumil Toni Sport Hall (Ivana Perkovca Street 90, 10430 Samobor, Zagreb County, Croatia)

The tournament is held with the aim of paying tribute to Branko Bošnjak, a fallen member of Special Police Unit Alfa in the Croatian War of Independence. It brings together veterans of the special police, their families and friends, to reconnect, share memories, and support each other in order to collectively remember the bravery and sacrifice that Branko and his fellow comrades made in defense of the sovereignty of the Republic of Croatia.

We thank you for your support and important contribution to preserving the memory of our brave defenders. We look forward to your presence and to jointly commemorating this special event.
